

March 05, 2021

Generac Power Systems, Inc.  
Nikhil Nagpal  
Product Manager – Transfer Switches

Dear Nikhil Nagpal and Sie Teong Lim,

The Electric Distribution Standards and Meter Engineering departments in Pacific Gas & Electric (PG&E) Company, have reviewed the Generac electric meter panel with a built in automatic transfer switch. I would like to inform you that PG&E has approved this specific equipment for use in our service territory, effective today March 05, 2021.

This PG&E approval is only for the model and part number listed here. Any modifications or changes to the panel will require another review and approval by the PG&E personnel listed below.

PART NUMBER	DESCRIPTION	MODEL#	MANUAL
A0000815464	AV 200A ATS ILC 3R W/METER SOCKET	RXGUW200A3	A0000529825
